Respected Sir,

**Sub : Navins Subhamangala – Ramapuram,
Handing over to Association – Reg.**

On behalf of our Navins Subhamangala Flat owners Association, let us thank you and the entire team working under your leadership for not only providing us the dwelling pleasure “Subhamangala”, but also for the wonderful, methodical transfer of its valuables and maintenance to the Association on 24th October 2009.

All the inmates present on that day were pleased and impressed with the way it was carried out. It was meticulous, well planned, organized and documented in a painstaking, systematic way. The documentations arranged and presented in a dextrous way will help us towards the future maintenance also.

Your entire team, led by Mr.Giri & Mr.Thulasiram, guided the inmates with their patient, vivid professional explanations. Even the few controversial grey areas raised by us from consumer point of views, were also tackled with patient, convincing replies. They assured that few such ambiguities can well be tackled by further mutual correspondence, communications and clarifications. We were warmed, when they assured for future technical guidance as and when needed for maintenance of "Subhamangala", which is one more feather on your cap.

We too feel and assure you that our Associations relationship with Navin Builders should grow ever and ever.

Once again on behalf of all Association members, we thank you and your entire team for that memorable, conducive atmosphere on the 24th October 2009 in our premise.

Thanking you,
